

Tax Information

I've been asked to repeat the tax information for those who itemize.

Lunches: \$33 is \$8.25,
\$35 is \$.

Dues - \$40.00, 100% as this all goes to Scholarships

Silent Auctions and Raffles that you win - zip (you received something in return)

Donations to monthly charities are 100% tax deductible (must retain receipt)

If you track mileage for your volunteer work, that is deductible \$0.14/ mile

Donations of food for events is 100% deductible (again, keep the receipt).

If you are a service provider, you may deduct only the cost of the food/supplies. Not the service.

Donations of "in-kind" gifts such as books/handbags etc. The value here is up to the donor to establish. The PAWC may only acknowledge an actual value in dollars although we may provide a Thank You letter for in-kind gifts for tax filing purposes. (Note: receipts are passed out at the Book Sale in March for those donations)

Hope you find this useful.

Happy filing.
